FOR IMMEDIATE RELEASE:

New York, NY (April 1, 2025) — Revere 8 Films in association with the WhatStopsYou.org Foundation (www.WhatStopsYou.org) announces Humanity Stoked has won its 20TH FILM FESTIVAL for “Best Documentary Feature” out of an impressive 41 official selections in 16 countries. Notable festivals include the prestigious, Newport Beach Film Festival, Coronado Island Film Festival, Edmonton International, SoHo, BIFF, SIFF, Maui, and London International.

Official Soundtrack featuring music from Tom Morello, Michael Franti, Arcade Fire, José González, Muddy Waters, Bo Diddley, Devendra Banhart, Chico O’Farrill, Dangermuffin, and original music by Rene Gonzalez Slizewski and Migul Leyva. All music was created/licensed 100% gratis by the artists, and their publishers, including BMG, Sony, Universal, 21st Century Fox, Disney, and others.

Humanity Stoked is a feature length documentary featuring world-famous skateboarders, scientists, artists, musicians, activists and educators, all of whom share a love of skateboarding. The iconic cast, respected as leaders in their fields, reveal their unique experiences and insights on being human. Their perspectives on issues that affect humanity’s ability to move forward together are shaped by their own backgrounds, and often inspired by their love of skateboarding. The conversations focus on understanding fear, depression, addiction, education, activism, philanthropy, racism, sexism, homophobia, and the environment. The film’s purpose is to inspire deeper thinking, and more empathic perspectives about people and the world around them.

Humanity Stoked was produced entirely for free by team of dedicated volunteers. The film’s Producer/Director, and life-long skater, *Michael Ien Cohen*, the entire crew of Revere 8 Films / WhatStopsYou.org Foundation, and all 3rd parties involved have refused salary and compensation of any kind. As result, 100% of the revenue from the film and merchandising goes directly to charity, to help make positive and long-lasting change in the lives of children and young adults around the world, especially in low socio-economic areas. This film is a mission of love and everyone involved is passionate about inspiring deeper thinking and positive change in the world.
